## Auditor-General's Report to Parliament No. 1 for 2008 — Enhancing Accountability through Annual Reporting

An error has occurred in Section 5.2 Compliance audit results with performance requirements on page 27.

When Section 95 (1)(g) of the *Financial Management Standard 1997* is referred to, in relation to *actual performance in relation to its goals*, the number compliant should read one instead of zero and for *measured using the performance measures in the agency's strategic plan*, the number compliant should read two instead of one.
