## About the Queensland Audit Office

---

On behalf of the Auditor-General, we provide insights to over 600 state and local government clients on how to deliver better public services for Queenslanders.

As the state's independent auditor, we are completely unique. We are vital to Queensland's integrity system of government, giving parliament and the public trusted assurance.

Innovation, teamwork and relationships are at the heart of what we do. We use some of the most contemporary practices and tools in today's professional services industry to:

- deliver high quality audit services
- give the public sector insights on their performance, risks and financial management
- report to parliament on the results of our work
- investigate financial waste and mismanagement
- share best practice across our client base and industry.

The public sector operating environment is diverse and constantly evolving, meaning we work throughout Queensland across a wide range of services from health, education, financial services, local government, tourism, justice and many more.
